OUR SPECIALTIES

WHAT WE DO

OUR SERVICES

HOW WE DO IT

Potomac Construction is a Full-Service General Contractor specializing in the construction of Restaraunt, Retail and Hospitality interior spaces in the DC Metro and select Mid-Atlantic areas.

DUE DILIGENCE

As site options become more complex, we come equipped with a detailed checklist to conduct a more formal evaluation of all aspects of the space, which includes any structural or architectural issues that could potentially hinder a construction budget or timeline.

WASHINGTON, DC

VIA SOPHIA AND SOCIETY

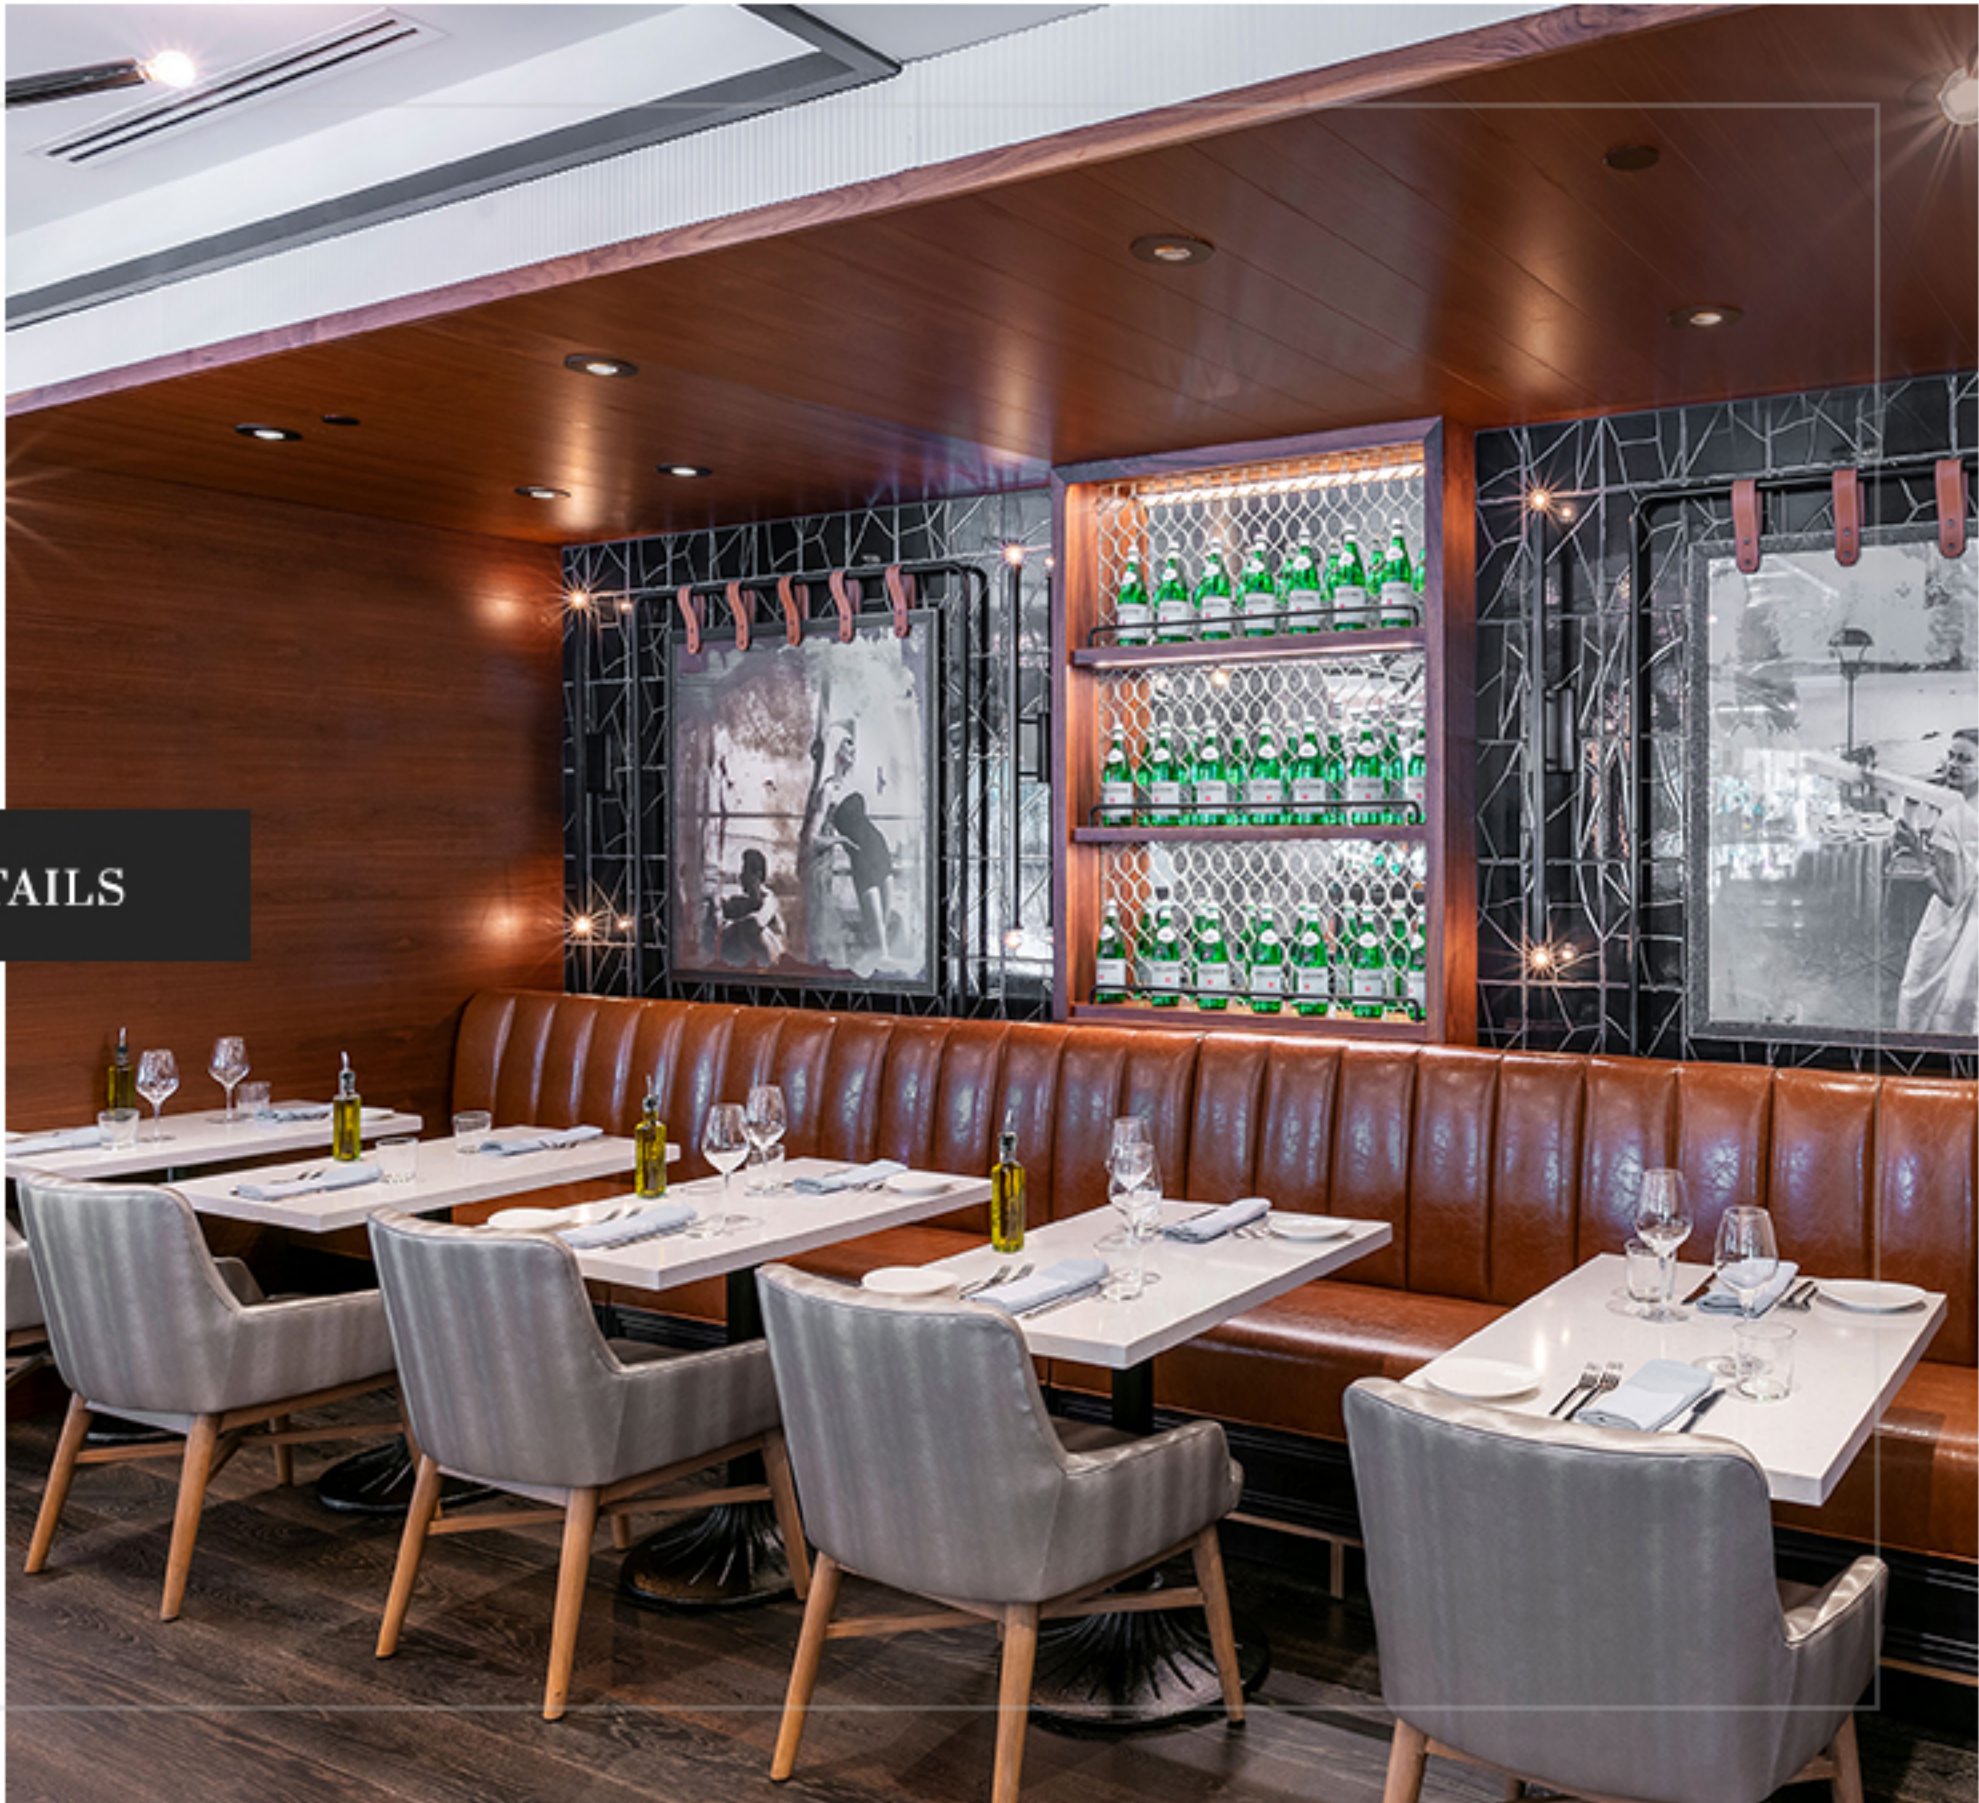

Via Sophia and Society is ready to unveil the final pieces of its multi-million dollar renovation downtown at the corner of 14th and K Streets NW. An Italian restaurant specializing in Neapolitan pizza and a glamorous, postage stamp-sized bar serving cocktails and caviar are both scheduled to open tomorrow.

Following a full lobby transformation and guest room refresh, the historic 318-room hotel is replacing its outdated 14K restaurant with an all-day osteria called Via Sophia. A dark, library-themed bar called Society is hidden off the lobby.
