

[Registered Nurse]

[EKG Technician]

[CT/MRI Technician]

## CRITICAL CONNECTION LISTENS TO YOU.

We learn who you are through a meticulous interviewing process. We then determine the right candidate for placement based off a rigorous screening and personality profile exam.

Your success is ensured through our ability to place a candidate based on a clinical match as well as their professional presentation and personality.

We build and place relationships that succeed so that your business and corporate culture can thrive.
