Design Note:

The red arrows indicate the pages we will design for approval. The home page will be created first and once approved, the rest of the red arrow designs will be developed and presented for approval.

Hamilton Bank

Main Navigation

These links will appear as the primary navigation elements, and as such will be displayed more prominently on the page than other navigation elements.

Utility Navigation

These links will appear less prominently on the page than main navigation. This menu may appear at the very top of the page, or bottom of the page, or both top and bottom of the page.

Contact Form

Form Note:

The user will be taken to a thank you page upon a successful form submission. Each form will have its own unique thank you page.

Online Banking Login:

The **Online Banking User Login** will appear on all pages of the site in the sidebar, header, or footer area. It will exist separately from the main or utility navigation options as a stand-alone callout. It will also be available via the sub-navigation within the Online Banking section. After successful login, the user will be taken to an exit page where they will notified that they are leaving the main site to visit an external resource.

Locations Note:

Each of the locations listed will include contact information, photo, as well as a brief community write-up as can be found on the existing web site under "Our Communities"

Press Releases/News & Events Note:

These sections will consist of a reverse chronological listing of article snippets that include a headline, date, and a 50 word intro with a link to the full article.

Footer Navigation

These links will appear less prominently at the bottom of the page along with the Customer Service and Lost/Stolen ATM Card numbers.
